

# SM-07M

7" color TFT screen 16:9  
functional and compact device

**SM-07M is an ideal solution for those who need a low-cost, but full featured video intercom with memory.**

In addition to ultra-thin (only 18 mm) body, available in such colors as silver, graphite and white, this model displays an excellent image with resolution of 800×480. One of 16 polyphonic ringtones can be selected in the settings. Photos of visitors can be recorded both on the internal memory (up to 100 snapshots), and the external microSD card up to 32 GB.

Model: **SM-07M**
