

# SQ-07MT

7" color TFT touch screen 16:9  
ultra-thin and functional monitor

**SQ-07MT, a bestselling model of 2017, is great combination of price and functionality.**

The intercom has not only an ultra-thin body but also a touch screen. Now it is even more convenient, faster and easier to control your intercom. SQ-07MT is equipped with motion detection software. By configuring the detection on any of the cameras or outdoor panels the monitor will respond to motion and automatically record video on an external memory.
